

ICT DEPARTMENT UNDERTAKES EVALUATION EXERCISE

The ICT Department today Tuesday 23rd May 2017 conducted an evaluation exercise of the department. The aim of the evaluation was to gauge how much the department has achieved in terms of the webometrics parameters. These parameters are; impact, excellence, transparency, openness.

The Director ICTC Mr. Christopher Muturi noted that for the department to improve in the different parameters we need to put more effort and work as a team. Some of the recommendations discussed in the evaluation exercise is; to identify projects that have lapsed in the school of computing and informatics (SCI) and claim and host them in the ICT website, ensure that all publications are publications of scholars are listed in the different platforms and also host projects from C4D lab.

The director also proposed all sections within ICT to nominate a champion. MIS-Veronica Mutua, NIS-Janet Maranga and user support Patricia Gitonga.

The evaluation exercise was held at the ICT Boardroom and was attended by Deputy Director MIS, User Support, College OIC's, Section Heads and the website team from Central Administration.
